

## 2011 Region I STAR Regatta Results

--Al Dion : Top DPMYC Sailor--

This championship series was held at Mansfield , CT, on Saturday July 30..There were 17 boats that sailed 16 heats. Our Ron Rhault was Race Director.

Sailing conditions were mediocre..Temperature in the 90's and winds were very light---never above 6-8 mph..Lots of holes to sit in while others sailed by. Leaders were often"under stress" in the final beat to cross the finish line..As one participant put it: "Winds like this are sometimes called "heart attack conditions".

In spite of the weather , the group had a good time and enjoyed each others company.

Top five finishers:

1. Cliff McCarty 32 points( Housatonic MYC)
2. Al Dion 67 "
3. Jim Linville 76 "
4. Fred Goebel 77 "
5. John Arkenberg 78 "

Kevin Maclellan was close behind in sixth place: Chuck Luscomb finished 9<sup>th</sup>.
