

Mystic Regatta Results—August 11-14, 2011

DPMYC Sailors Excel

The annual Mystic Regatta for “J” Boats and EC-12’s was another great success with DPMYC members doing very well..Our congratulations to all our members who participated.

J Boats

A total of 13 boats raced on Thursday and Friday under ideal weather conditions—sunny skys and winds ranging from 5-13 kts.

Twenty races were completed to finish the event. The fleet dwindled down into the single digits and the fleet was eventually combined into one..The top five winners were:

1. Dave Ramos / Chuck Luscomb
2. DaveBrawner
3. Eric Reno
4. Kevin Maclellan
5. Gerard Kelter

EC-12’s Region I Championship

Sixteen competitors enjoyed some very animated competition.

On Saturday, 14 races were completed in an unsettled SSW wind that kept the lead changing..Apparently, there were some very interesting mark roundings as the fleet stayed pretty compact.

On Sunday, the monsoons arrived and it was a total washout.

Final results were based on the Thursday results...DPMYC members were well represented in the top 7 finishes:

1. Bruce Walton
2. Chuck Luscomb
3. Chuck Poindexter
4. Rick West
5. Jake Leo
6. Al Dion
7. Kevin Maclellan

Congratulations to all!!!
